Mayor Butcher reinforced the need to encourage the booster shots and the need to keep our old and sick away from the treat of sickness.

Issue: TOWNSHIP Indigenous Land Use Agreement (ILUA)

Council remain concerned about the lack of progress from CYLC to finalise the agreement that has been under negotiation since 2014. Council is unsure of the quantum of compensation owing to Traditional Owners as there has been no guidance material produced. This is particularly relevant to the visiting dance team camping ground, new dump-site, and a range of other Council projects. At this point Council has no capacity for accuracy when budgeting levels of compensation it should be carrying on its projects and contingent liabilities.
